TOOTENIMETUS	SOODUS	HIND
[redacted]	[redacted]	[redacted]
Chainlock ABUS Steel-O-Chain 5805C/140 (black)	36,24 ?	42,64 ?

[redacted] two-component number rollers. So you can enjoy the lock for a long time. The numbers on this combination lock remain legible even after prolonged use. That is why ABUS does not print the numbers in colour and produces the number roller from two durable components.
