<p> Hasp 100 is a heavy-duty padlock, but would suit any door or gate to be secured against theft. When 100/100 DG we recommend you our solid hasp 100. It is robust, weatherproof and holds a padlock securely and reliably. Thanks to the hardened steel eyelets and concealed pins and screws, the hasp 100 also has a high level of theft resistance. </p>
