

ABUS Cobra 12/140

Tootekirjeldus

Flexible security on the road: Abus Cobra 12/140 loop cable

The ABUS steel cable Cobra ensures that helmet and accessories are reliably waiting for you where you need everything when you return: on your bike. The two loop ends are practical, there you simply pull your motorcycle lock through - done. Thanks to durable plastic coating, the paintwork of your machine gets no scratches. You can not and do not always want to wear your helmet with you as soon as you have parked your motorcycle

With the steel cable Cobra from ABUS you use a simple as well as effective solution. You have to lock your bike anyway. Since it is hardly additional effort to pull your lock even through the loops of the Cobra. The ABUS Cobra is also suitable for many other security purposes - at home and on the road.

Features - Abus Cobra™ 12/140 black

- High quality steel cable with two loop ends
- Synthetic coating to prevent damage to the bicycle's paintwork
- Additional security item to secure components
- Multiple purpose cable for garden, house, leisure activities and work
- The Cobra-Loop-Cables are a very useful complement for U-shackle, frame and padlocks
- Cable locks stand out due to good flexibility and quite low weight
- This cable is available in various lengths and thicknesses
