regions with a low risk of crime. To lock your bike in different places, a flexible chain lock is highly recommended. The clear advantage of the 5 mm thick square chain made of special steel of the Steel-O-Chain™ 5805K chain lock is its flexibility. This offers many possibilities to securely connect the bike to different objects. For example, firmly anchored bicycle stands or lampposts are well suited, if the bike does not obstruct anyone.	36.342	42.042
