blue, orange, red or black, and the uGrip BORDO™ 5700 comes in the same colours, each of which produces a look traditional black. This means that it scores high in the fashion stakes as well as meeting safety requirements: the uGrip BORDO™ 5700 colours are a perfect match for those of the helmet models ABUS Pedelec and ABUS Urban-I 2.0 Neon, making the uGrip BORDO™ 5700 Folding Lock the ideal companion for anyone in search of a coordinated look.
