

A long, horizontal, cylindrical metal handrail with black curved end caps, mounted on a wall. The handrail is made of polished metal and has a sleek, modern design. The end caps are black and have a curved shape that fits around the handrail. The background is white with a faint, repeating watermark of the text 'LukuCentrum' diagonally across it.

Features:

- Handing: easy to exchange
- Mounting: on surface
- The PBE series allows escape at all times and is designed for use with ABLOY mechanical and ABLOY electronic lock cases.
- For profile doors and flush doors
- The outside lever handle must be selected separately
- Tested to EN1125
- Rail's standard length: 1150 mm
- Allows escape at all times
