

SILMEC S695

Tootekirjeldus

Made of aluminium, this door is designed as a recessed wall door, in combination with double-sided plates or brasses that require a rear opening.

Although economical, this door is suitable for outdoor use thanks to the quality of the used components.

- Weight 1.04 kg
- Dimensions $36.2 \times 27.2 \times 2$ cm
- Finishes Iron grey, Silver Aluminium
